Mr. A.M. Naik is the Group Chairman of L&T Group of Companies. He mirrors the values of the organization he heads professionalism, entrepreneurship and a passionate commitment to advancing the interests of all stakeholders. Under his leadership, L&T overcame multiple challenges and emerged stronger with a sharper focus on profitable growth. Media surveys and peer group assessments rank him among the world’s best performing business leaders.

He joined L&T as a Junior Engineer in 1965, and rapidly rose to positions of increasing responsibility as he moved from General Manager to Managing Director and CEO, and then to his appointment as Chairman and Managing Director on December 29, 2003. He was the Group Executive Chairman of L&T from 2012 to 2017. In October 2017, he stepped aside from executive responsibilities, and was appointed Group Chairman. To transform L&T into a world-class conglomerate, he led a transformational process that boosted shareholder value. His leadership has seen a remarkable improvement across all parameters of business performance – market capitalization, consolidated turnover and net worth. He also spearheaded the restructuring of the conglomerate to facilitate its aggressive growth across a large revenue base.

Decades ago, he kick-started the process of indigenizing the manufacture of critical equipment for the defence sector and process industries. His efforts led to L&T assuming the leadership position in the design, development and manufacture of missiles and weapon systems and forged a vibrant relationship with national bodies for defence R&D and space research. He also infused a global perspective to L&T’s operations. This involved revamping mindsets and ensuring that virtually every critical activity is benchmarked against global standards.

Other landmark achievements that have yielded significant value for L&T and its stakeholders include the de-merger of the cement business. He conceptualized the proposal for the L&T Employees’ Trust which has ringfenced L&T, enabling the Company to retain its unique character and strengthen the employees’ sense of belonging.

His emphasis on HR and the nurturing of human capital triggered major initiatives to attract, retain and groom talent. He is also principally responsible for the use of IT as a major enabler across L&T’s businesses.
