Introduction

Brendan Kavaney
Head of Field Marketing

As we officially slide into summer, Mindtree has been talking a lot about manufacturing and IoT with our customers, check out the articles. We also published our annual Tech Beacon report, which looks at enterprise technology and its adoption. Lastly, we're happy to be recognized by ISG for Digital Excellence, twice. Enjoy!

Deep Thoughts

[Rise of the connected and intelligent enterprise](#)

[Venkat Nandikolla](#), Head of the Manufacturing, Mindtree talks about how products and devices get connected over the Internet of Things (IoT) to create personalized consumer experiences, optimized operations, and novel business models.
