We are a few months into sheltering in place and for me (and maybe most of you), time passed makes it seem like I've always worked from home. I know there were many steps taken to get to us to this level and this month, we've featured a great story about how Mindtree was able to mobilize 100% of the team in such a short period of time. ISG named us a Salesforce ecosystem partner leader in the Provider Lens. You can download the report below. In addition, Mindtree worked with Lufthansa Cargo on a Middleware project driving faster time to market. To all of our readers, stay safe and healthy!
