From the editor's desk

It's time to put the old year behind us and welcome in the new. I hope that 2021 brings you health, happiness, and success!

We've invested in a Global Microsoft Azure Experience Center and a partnership with Databricks, the data and AI company. In case you missed our most recent cloud webinar, check out how companies are driving towards a no-ops model.

Brendan Kavaney, Head of Field Marketing

Mindtree accelerates cloud business through Global Microsoft Azure Experience Center and New Skills Academy

Mindtree has launched a dedicated Microsoft go-to-market business unit centered on building new solutions based on Microsoft platforms and technologies, as well as developing the next generation of talent across the Mindtree organization globally. This launch is a component of Mindtree's multi-tiered initiative to support the continued demand of cloud services and solutions.
